FROM THE PRINCIPAL'S DESK

Dear Students,

Greetings to you in the era of COVID-19!

Who would have ever imagined that the entire world would come to a practical stand still, focusing attention on measures to deal with a deadly virus which has taken the dimensions of a Pandemic. In the absence of a cure or even a vaccination, realisation has dawned on everyone from policy makers down to the vendors on the street that one would have to learn to live with the presence of the novel corona virus and take the best precautionary measures while allowing life to go on!

It is against this backdrop that we prepare for the coming academic year. The uncertainties of the past few months have taught us to take one day at a time, though at the same time, we plan for the year ahead!

I congratulate you on having decided to train yourself to be a part of a professional, unconventional, glamorous yet demanding field which has emerged as an attractive career opportunity for Gen-next…, the exciting sphere of events!

This program, offered for the first time in Goa by this institution, provides students the opportunity, to train for an exciting career, right here in our state; they no longer have to move to metros in search of training for their dream career. It is indeed satisfying to sit back and see the success of an academic program, tailor-made for Goa, the PGDM-Event Management. Our alumni are our brand ambassadors and they are doing us proud in their respective organizations!

A dynamic and enthusiastic course coordinator, expert visiting faculty, excellent state of the art facilities, a well-stocked library, internship tie-ups with the who's- who of the entertainment industry and media groups, have all made for an exciting course on the campus (you don't have to take our word for it… You can speak to our students!).

From events as diverse as the Lusofonia Games, the Football tournament on the sidelines of the BRICS Summit, the International film festival, the Vibrant Goa Expo, the Serendipity art and cultural festival and corporate training seminars, from the glitz and glamour of weddings to the exciting live Bollywood concerts, from academic conferences to cultural and musical extravaganzas, our students gain hands-on experience across the entire gamut of events that an event manager would possibly handle!

The demand for trained professionals, who meticulously conceptualize, plan, manage and conduct events, big and small, is on the increase, and we at S.S. Dempo college are the only institution in Goa to offer this professionally conducted program affiliated to Goa university, which opens the doors to the most exciting of career opportunities - Events!

As we enjoy the new state-of-the-art campus generously provided to us by our management, we are inspired to renew our resolve to take the institution to higher levels of excellence. The management, the teaching, administrative and support staff, are further motivated by having been accredited at 'A' grade (with CGPA of 3.30/4) and strongly reiterate our commitment to spare no efforts to make the college experience of our students memorable and worthwhile.

In response to the continuous demand from students, we have introduced a six month certificate course in Event Management after completion of XII standard, affiliated to the Human Resource Development Foundation (HRDF) Govt. of Goa. This enables students to enter the job-market of events or become event entrepreneurs with rich on-the-job experience based on strong theoretical foundations delivered in the classroom.

We invite you therefore, to join the premier institution of impeccable repute, for the well designed one year Post Graduate Diploma in Management – Event Management (PGDM-EM) [affiliated to Goa University] or the need based six month certificate course in Event Management (affiliated to HRDF, Govt. of Goa) and live your dreams!

DEMPO CHARITIES TRUST

The name 'Dempo' has been associated with philanthropy for many centuries. Their fame has extended beyond the boundaries of Goa and has spread all over India. They have supported individuals and institutions associated with the arts and culture, sports and especially education. From days of yore, their home was a haven for the needy students. In more recent times this philanthropic attitude saw the foundation of Dempo Charities Trust. The Trust manages four educational institutions in Goa.

These are:

1. Dhempe College of Arts and Science - established in 1962 and located at Miramar (NAAC accredited "A" Grade & college with potential with excellence by UGC).

2. Srinivasa Sinai Dempo College of Commerce & Economics - established in 1966 and located at Cujira, Goa (REACCREDITED BY THE NAAC AT 'A' GRADE (CGPA of 3.30/4)

3. Vasantrao Dempo Higher Secondary School of Arts, Science and Commerce established in 1975, located at Cujira, Goa.

4. Dempo Higher Secondary School of Science Trust - established in 2012, located at Miramar.

The total enrollment in these institutions is around 3,500. The Trust strives to provide state of art infrastructure in all these institutions. As a result, the students in these institutions have consistently performed very well in public examinations and have frequently appeared in the merit lists of educational Boards and Universities. They also excel in co-curricular activities. In sports and athletics, many have performed well not only in inter-collegiate events but even in inter-university and national level competitions. The N.S.S. Units have rendered commendable service to the community. The N.C.C. Wings are also performing commendably.

The institutions of Dempo Charities Trust are affiliated to the Goa Board of Secondary and Higher Secondary Education and the Goa University. They are also associated with other educational and professional bodies. Apart from managing these educational institutions, the Trust also provides annual scholarships and financial assistance to needy and deserving students not only from the institutions under its management but also to students from different parts of Goa as well as outside Goa. The Trust has also been extending financial assistance to various educational, socio-cultural and religious institutions. With a view to bridge the gap that exists in the field of research in Goa in subjects related to Goa's culture, arts, society, biodiversity etc., the Dempo Charities Trust has established a Fellowship to

provide non-university institutional assistance to Goan scholars undertaking such research. This Fellowship also aims at strengthening and consolidating the intellectual foundations of Goa. The Trust has recently instituted twenty five scholarships in memory of founder Trustee Late Padmashri Vasantrao Sinai Dempo for students from Santacruz village for pursuing higher education.

The Trust also supports and promotes cultural activities like music, theatre and festivals promoting Goan traditions. Seminars, Workshops, Conferences, Training Camps conducted by Goa University and other professional bodies also find support of the Trust. To commemorate the memory of Late Shri. Vasudev V. Sinai Dempo & to Vasudeva V. Sinai Dempo and to give fillip to intellectual development of Goa, the Trust has recently started a Memorial Lecture Series after the illustrous son of Goa- Vasudeva V. Sinai Dempo. Late Shri Vasudeva Dempo's contribution to education and research in Goa is tremendous. Indeed, he gave as much importance to social, educational and cultural activities as he gave to his own business.

The Dempo Charities Trust has rendered yeoman service in educational, cultural and social fields in Goa. It will strive to continue doing this noble service in future too.

CAREER OPPORTUNITIES IN EVENT MANAGEMENT

Event mangement is a glamorous and exciting profession which demands a lot of hard work and dynamics right from conceptualizing, planning, organizing and finally executing an event. The event could be of any type - musical show, concert, exhibition, product launch etc. Event management has been described as an "emerging profession" due to the fact that no academic, government - issued licensing or private occupational certification credentials are required to practice this complex and responsibility - laden enterprise. Without such credentials, "professional" status is suspect and subject to degradation by the actions of untrained and inexperienced practitioners who are simply not aware of the scope of what needs to be learned in order to be qualified to work in this profession, as well as the scope of the legal and ethical responsibilities associated with such endeavors.

Event management jobs are the best option for people with an out-going and friendly nature. The jobs require go-getters who are always on the move. They must have the zest and zing to make events happen. They must be good with their communication skills and also presentable as they are always interacting with important people. An aspirant in event management must have a passion for events and flexibility of time and schedule.

The position an event manager secures depends upon the company that the individual joins.
