FROM THE PRINCIPAL'S DESK

Dear students,

The Pandemic rageswaxing and waning over the past year, resulting in 2 waves of surging infection that have chilled the spine of the entire world as a whole! Precious lives have been lost, families dismembered, children orphaned and incomes have crashed. The economy has practically ground to a halt and the 3rd wave looms large on the horizon.

Against this bleak backdrop, the only solace is the availability of vaccines and the increasing awareness amongst the people of the need to practice COVID appropriate behaviour. For us in the college, the past year has been one of the uncertainty, with students unable to come to the campus, the teaching – learning process has transitioned to the online platforms from the physical spaces of the classrooms. Numerable challenges along the way have been surmounted collectively with the dedicated commitment of the teaching faculty and the encouraging support of the management.

Through changed time lines we begin preparations for the new academic year 2021-22, hoping that the rage of Pandemic would be leashed and that we would soon be able to bring our students back to campus. Till then, we move ahead cautiously and with hope.

Without a doubt, if there is any industry which has taken the biggest hit globally in Post COVID-19 times, it has to be the Travel and Tourism Sector.

Industry experts predict that it will be quite some time before things return to normal, if they ever do! They do agree however, that this is the best time to train for this industry and be ready to take off with the industry once it is able to pick itself up from the economic devastation of COVID-19.

Congratulations therefore, on making a conscious decision to train yourself in Travel and Tourism over the next two years at Goa's first and most sought after institution for business education, the Dempo Charities Trust's S. S. Dempo College of Commerce and Economics, located now at Cujira (Bambolim) Goa, in a state-of-the-art campus made possible by the generosity of the Management.

We are also proud to have been assessed and re-accredited by NAAC, Bengaluru with a 'A' Grade, (CGPA of 3.30) and are committed to scale greater heights of excellence.

The 2 year Post-Graduate Tourism and Travel Program, affiliated to Goa University has been carefully crafted to create professionally trained human resources with both entrepreneurial and management skills that will promote travel and tourism in India and across continents! Highly qualified faculty and a galaxy of industry experts as visiting faculty together with the proactive support of the Management make for effective delivery of the course content enriched by local, national and international study tours, internships and placement opportunities.

The college is also proud to be the only educational institution to be an Authorised Training Centre for IATA global certification (recognised by the Ministry of Civil Aviation, Government of India). IATA Certification through add-on Modules of training alongside the main program enable students to be industry-ready with the necessary skills. IATA certification, recognised globally ensures immediate placement in the industry at attractive remuneration packages.

As we look forward to a new academic year, in challenging post novel-corona virus times, the Management, teaching, administrative and support staff reiterate their commitment to spare no efforts to make the college experience of our students memorable and worthwhile.

It is with a deep sense of satisfaction and fulfillment that each year we see our students graduate from the portals of our prestigious institution to face life's challenges with competence and confidence gained from being with us.

Our students are in fact, our 'Brand Ambassador'! They are our best testimony! They carry with them the values that we strive to inspire in them by example. We facilitate and enable our students to reach for their goals while continuously encouraging them to reach for the stars!

Welcome then, to be a 'Dempoite' and 'Live your dream'!

DEMPO CHARITIES TRUST

The name 'Dempo' has been associated with philanthropy for many centuries. Their fame has extended beyond the boundaries of Goa and has spread all over India. They have supported individuals and institutions associated with the arts and culture, sports and especially education. From days of yore, their home was a haven for the needy students. In more recent times, this philanthropic attitude saw the foundation of Dempo Charities Trust. The Trust manages four educational institutions in Goa.

These are:

1. Dhempe College of Arts and Science - established in 1962 and located at Miramar (NAAC accredited "A").
2. Srinivassa Sinai Dempo College of Commerce & Economics - established in 1966 and located at Cujira, St. Cruz, Goa.

The Trust has also been extending financial assistance to various educational, socio-cultural and religious institutions.

With a view to bridging the gap that exists in the field of research in Goa in subjects related to Goa's culture, arts, society, biodiversity etc., the Dempo Charities Trust has established a Fellowship to provide non-University institutional assistance to Goan Scholars undertaking such research. The financial grant of Rupees One Lakh is granted on the basis of merit for the completion of research in a scientific manner. This Fellowship also aims at strengthening and consolidating the intellectual foundations of Goa.

The Trust has recently instituted twenty five scholarships in memory of founder Trustee Late Padmashri Vasantrao Sinai Dempo for students from Santacruz village for pursuing higher education.

The Trust also supports and promotes cultural activities like music, theatre and festivals promoting Goan traditions. Seminars, Workshops, Conferences, Training Camps conducted by Goa University and other professional bodies also find support of the Trust.

To commemorate the memory of Late Shri Vasudeva V. Vasudeva Dempo's contribution to education and research in Goa is tremendous. Indeed, he gave as much importance to social, educational and cultural activities as he gave to his own business. Truly, his dedication and sincerity in undertaking various efforts to contribute to the cultural, social and educational advancement was beyond compare.

Yadnya Naik
MTTM Part 2
Intern b:live e-biking

"I am Yadnya Mohan Naik pursuing MTTM Part 2 our Programme Co-ordinator Dr. Cheryl Venan Dias gave me this opportunity to be part of the b:live which is the leading producers of e-bikes in Goa and also conducts experiential e-bike tours in different states of India. My experience with b:live was quite good, as an intern I was supposed to make sales calls and generate leads my role in-short was to convince the Customer's from different states to buy e-bikes as it was sales of e-bikes since it was work from home. I did not get to interact much with my colleagues. However, I gained some knowledge of tele-sales, cold calling and lead-gen, overall the learning experience was good."

Tanaya Tulaskar
MTTM Part 1
Budding Entrepreneur

"Taking an image, freezing a moment, reveals how rich reality truly is..Photography is my passion since childhood but I really began to study it around 2018 when my father gifted me a DSLR Camera. I tend to photograph subjects that are easily available to me, however, I mostly shoot outdoor photographs, portraits, and landscapes. I would say most of my quality work is of nature and beauty shots of people. I love shooting more in natural light. My goal is to show the beauty, grace, strength and enthusiasm of people and nature. I am based in Konkan, Maharashtra and take small photoshoot orders. My biggest dream is to become a travel photographer."

Ritik Bhushan

Eco Retreat is an event organised by Odisha Tourism and LJS India. The concept is based on providing luxury tents on the beach. This is just like the 'Rann Utsav' at Kaach. I got familiarized to all the departments and it was a life changing experience for me. The best part was interacting with tourist from all around the country which allowed me to come out of my comfort zone and improve my communication skills. I am pretty confident that this exposure will help me in my tourism and travel career."

Stephanie Carvalho

"The hospitality industry is the largest growing industry in the world which provides abundant job opportunities. I enjoy working in the F&B as well as food production department and so decided to work at Black Market Goa, a restaurant that strives in providing excellent service as well as hearty meals. Since the pandemic gave me free time, I decided to pursue higher education by joining the MTTM Programme at S.S.Dempo College of Commerce and Economics which would help me to broaden my knowledge in the tourism and travel industry and will also help me learn an additional foreign language French apart from my working knowledge of Portuguese."
