Seminars/ Workshops Conducted by Dept. of IT since 2017

9th November 2017-

In view of the change of syllabus under CBCS the need for a workshop was expressed by Department of IT to bring uniformity in teaching patterns for the revised syllabus.

Although time and again this concern was raised by all the teaching fraternity we realized no such workshop was conducted even till the end of Semester-I. Thus Department of IT conducted the workshop “**Uniform Teaching Pattern for Computer Applications**” under CBCS, just before the closing of Semester-I.

Teachers from 15 Commerce Colleges participated in the deliberation and there were 17 participants from all over Goa.

The agenda included the following:

- 1.) Evaluation of Semester-I
- 2.) Discussion about Semester-II of Computer Applications Paper

18th and 19th October 2019-

Organized a two days State level Workshop on "Data Science and Digital Analytics" on 18th and 19th October 2019 from 9am to 5pm in the College Premises. The workshop was held with a view to bridge the gap between the academy and industry in the latest and upcoming sector of Digital Marketing. Resource Person; Mr. Hemant Palivela who has been recently promoted as Head of Artificial Intelligence of 16 countries from the post of Senior Manager at eClerx Services Ltd., Mumbai. Faculty members from 16 colleges from the State including Professional Colleges like BITS Pilani, National Institute of Malaria Research, Goa College of Pharmacy and Research Scholars from Goa University.

20th Jan 2020-

Organized a One day State level **Workshop for Research Aspirants** on 20th Jan 2020. The workshop was held with a view to give a step-by-step guidance to all researchers in the research process. It also helped in guiding them of how to use encyclopedias, research guides, handbooks, academic databases, formulating research problems and avoiding common English errors while presenting research papers. The workshop also introduced various tools for research and how to avoid plagiarism. The final stage of the workshop introduced a hands-on document preparation system with the use of LATEX.

The resource person for this workshop was Dr. Manish Ratnakar Joshi who has completed his PhD from North Maharashtra University, Jalgaon. He was selected for a prestigious Post Doctoral Fellowship by the Faculty of Computer science at the University of New Brunswick, Canada, 2008-2009. He was also awarded with a National award for the outstanding efforts in translation of popular Science and Technology for the year 2018 by the Department of Science and Technology, Government of India. The workshop was highly appreciated and attended by **65 faculty members and Research Scholars** from all over Goa.
