**REPORT
"ANNUAL POOJA"**

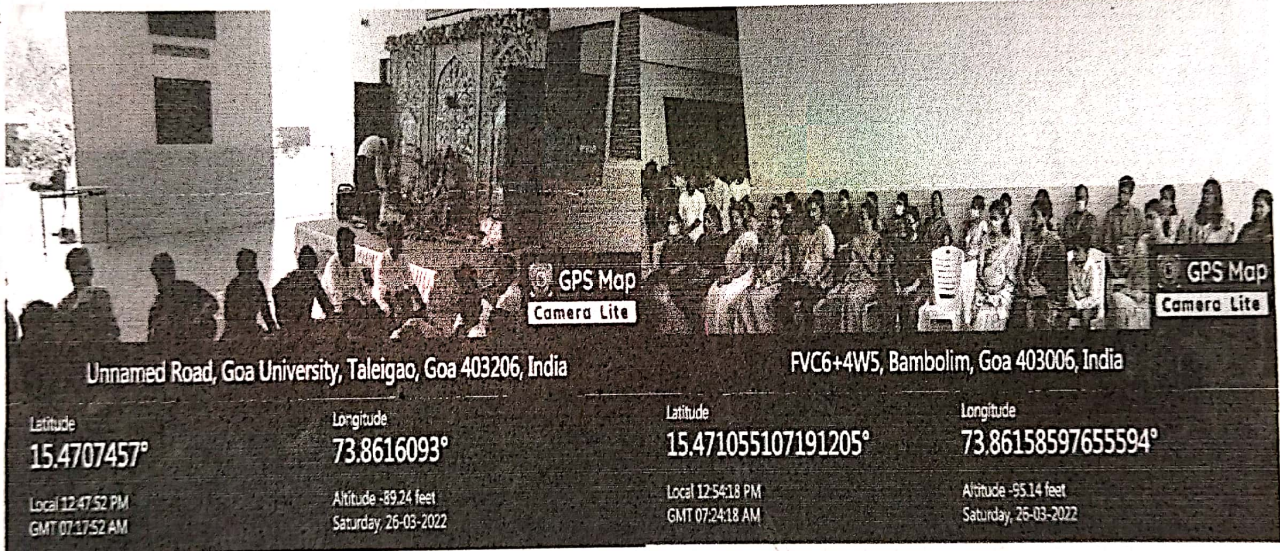

Organised by Students' Council

Date: 26th March 2022

Venue: Foyer Area

Time: 9:30 a.m. to 1:00p.m.

Students' Council of our college organized "Annual Pooja" on 26th March 2022 at the college premises for the divine blessings of health, prosperity, education and relief from troubles. Third year BBA student Bhupen Chati performed the Pooja. 21 students performed Ghumat Aarati for the Pooja. It was conducted by General Secretary Gaurav Gaitonde and coordinated by Assoc. Prof. Nutan Nayak. Principal, Teaching, Non-teaching, Multitasking staff and Students were present for the Pooja.

VISIT TO ANAGHA WACHASUNDAR PRATISHTHAN

DATE – 12TH APRIL 2022

VENUE - Anagha Wachasundar Pratishtan Porvorim

DESCRIPTION - Students of FY BBA were taken for a field visit as a part of Individual and Society course curriculum. The motive was to sensitize students to children having different abilities and to empathize with these children.

The visit lasted for about 3 hours wherein the students got to see how a class is conducted for these kids and the method used. They also got a tour of the entire school and classroom system therein. They were able to appreciate the methods of teaching these special children.

FIELD VISIT TO COMMUNITY FARM

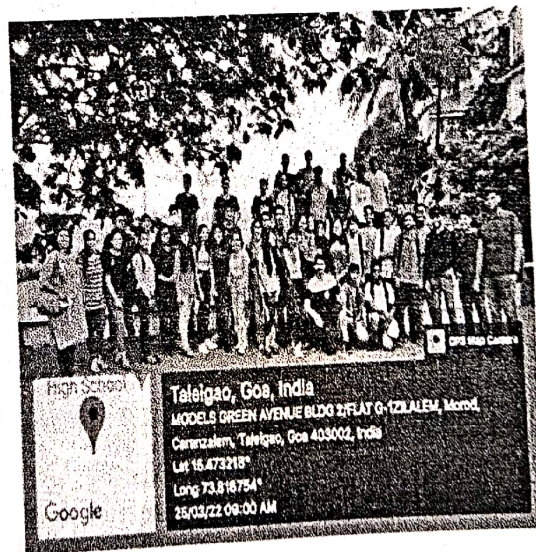

DATE – 17TH MARCH 2022
VENUE - Albertina Almeida Field- Taleigao

DESCRIPTION – The Albertina Almeida Field is managed as a community initiative in order to foster the spirit of community working and sustainable farming.

Students of FY BBA were taken on field visit to the Albertina Almeida Field on 17th 24th and 25th March 2022 (Divisions A, B and C were taken on three separate days). The field visit tentatively lasted for 3 hours. Some objectives of the visit were to learn about the biodiversity of fauna and flora, topography of the land, groundwater table etc.

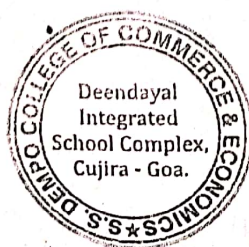

This visit proved to be fruitful to the students as they learned that there's a lot more to farming than actually what's believed and that it is a tedious task. They also learned about various types of grasses and plants which otherwise go unnoticed. Hence this was a very informative and helpful field trip.
