Sub:- Implementation of Reservation Policy of the Government of India in Universities, Colleges and other Grant-in-aid Institutions.

Sir/Madam,

As you are aware that the University Grants Commission is continuously monitoring the progress of implementation of Reservation Policy for SCs, STs, OBC and EWS in teaching and non-teaching posts as well as admission to all level courses in universities and colleges.

According to UGC Act, 1956, the UGC has to ensure effective implementation of the Reservation Policy in Universities and institutions receiving aid from the Public Funds except in Minority Institutions under Article 30(1) of the Constitution.

All centrally funded Universities/Colleges/Institutions are required to ensure strict compliance of Government of India orders/rules on the reservation in their institutions. State Universities including its affiliated/constituent colleges and other Institutes functioning within the State should follow the percentage of reservation for SC/ST & OBC as prescribed by the concerned State Government.

In this regard, it is being observed that some grant-in-aid Institutions are not following the instructions issued by the UGC/Government of India.

You are therefore requested to kindly instruct the State Universities/Colleges for strict implementation of Reservation Policy.

Yours sincerely,

(Dr. G.S. Chauhan)
Joint Secretary

No. EST/Reservation Circular/180/2020/1990

Dated: 21/07/2020

CIRCULAR

National Commission for Backward Classes has received complaints against the National Law Universities / Schools stating that there are irregularities in the process of admission thereby violating the reservation rules.

National Commission for Backward Classes New Delhi has therefore issued guidelines on 20.1.2020 (A copy enclosed) regarding implementation of reservation in admission. Commission has observed that National Law Universities and State Government Universities which are established under Statutes enacted by the State Legislature and also received grant-in-aid from UGC and State Government are not following rule of reservation in admission. The Statute provide reservation for local domicile candidate and for the all India seats in their admission. And few of the Universities are providing reservation only in the local domicile percentage of seats and not in the all India seats.

The Commission has therefore recommended that the reservation rules in admission of OBC candidates (27%) in all India seats and local domicile seats may strictly be followed for the admission of academic year starting from 2020 onwards.

All the Government Colleges, Aided Colleges and Goa University shall strictly implement the reservation rule in admission for OBC Categories (27%).

Therefore, Colleges shall maintain the reservation as follows:

1) Other Backward Classes (OBC)	27%
2) Schedule Caste (SC)	2%
3) Schedule Tribes (ST)	12%
4) Economically Weaker Section (EWS)	10%

All the Government Colleges, Aided Colleges and Goa University shall strictly implement the reservation rule in admission for all above categories in all Indian seats and local domicile seats.

In case any seats reserved for all above categories remain vacant, the same shall be filled by admitting general student.

Receipt of this circular shall be acknowledged.
